

TECHNICAL ASSISTANCE FOR LOCAL SELF-GOVERNMENTS

IMPROVING SOCIAL INCLUSION

Through the Swiss PRO Programme, the Government of Switzerland supports the development of local self-governments capacities to ensure social inclusion at the local level through the enhanced social protection services as a response to the needs of vulnerable groups.

The support was provided by the Centre for Social Policy in the period from September 2018 to March 2020.

APPROACH

Developing the Assessment of Institutional Capacities of LSGs in Social Protection and Social Inclusion of the Vulnerable Groups.
